TURN INSIGHTS INTO RECOGNITION

INVITING ENTRIES FOR THE BRICS CITATION 2026

Export-Import Bank of India, India's premier export finance institution, promotes and encourages research on economic aspects concerning the BRICS (Brazil, China, Egypt, Ethiopia, India, Indonesia, Iran, Russia, Saudi Arabia, South Africa and UAE) economies. In this context, the Bank is inviting applications for its BRICS Economic Research Annual Citation for 2026.

Research thesis of nationals (holding valid passport) of the eleven member nations of BRICS, who have been awarded a Doctorate (Ph.D.) from any nationally recognized University or academic institution globally, during the period January 2021 to March 2026, are eligible to participate and receive the Citation. The subject matter of the thesis can broadly be international economics, trade, development and related financing, with particular relevance to BRICS nations.

The Citation, sponsored by India Exim Bank, comprises a medal and prize money of ₹ 1.5 million (approximately USD 17,000). The application form can be submitted online at https://www.eximbankindia.in/awards/brics-citations and the last date for receiving entries is May 15, 2026.

INDIA EXIM BANK BRICS ECONOMIC RESEARCH CITATION: 2026 BROAD GUIDELINES

THE CONTEXT

Export-Import Bank of India (India Exim Bank) is the premier export finance institution of the country, set up to finance, facilitate and promote India's international trade. India Exim Bank also undertakes and supports various research-based activities in this context. It is the nominated member development bank under the BRICS Interbank Cooperation Mechanism, along with other nominated member development banks from member nations of BRICS namely the Brazilian Development Bank (BNDES), Brazil; the State Development Corporation (VEB.RF), Russia; the China Development Bank Corporation (CDB), China, and the Development Bank of Southern Africa (DBSA), South Africa. India Exim Bank instituted the BRICS Economic Research Citation (BRICS Citation) in March 2016. The Citation consists of a medal and prize money of Indian Rupees 1.5 million (equivalent) (approximately USD 17,000) sponsored by India Exim Bank. The objective of the Citation is to stimulate and encourage advanced doctoral research on economics related topics of contemporary relevance to the member nations of BRICS.

DETAILS OF THE CITATION

Name: India Exim Bank BRICS Economic Research Citation

Objective: Stimulating advanced research on economics related topics of relevance to the member nations of BRICS.

Eligible Persons: Nationals (holding valid passport) of any of the eleven member nations of BRICS, who have been awarded a Doctorate or accepted for award of a Doctorate from any recognized nationally accredited University or academic institution globally, are eligible to receive the Citation.

Eligible Universities / academic institutions: Any University or academic institution which has awarded a Doctorate or accepted a thesis for award of a Doctorate must be recognized and nationally accredited by the official competent body in the respective country.

Eligible Entry: Any thesis which has been awarded a Doctorate or accepted for award of a Doctorate during January 2021 to March 2026.

Subject Matter of Thesis: Research in international economics, trade, development and related financing, with particular relevance to BRICS nations. The topics must be in alignment with the broad theme of the BRICS 2026, which is "Building for Resilience, Innovation, Cooperation and Sustainability". The findings of the research work should be able to provide clear and relevant policy implications and recommendations, which could be beneficial for the developing economies at large, and preferably the BRICS countries, in particular. Issues of particular relevance such as those pertaining (but not limited) to foreign trade, investment and collaboration among BRICS countries; navigating global uncertainties and climate risks; energy transition; supply chain

disruptions; development and green finance; trade facilitation; sustainable development; digital public infrastructure; emerging technologies (including fintech and AI); international competitiveness; and reforms in global institutional governance, among others, could be of particular interest. Credit would be given for originality, clarity of presentation and importantly to its relevance in the BRICS context.

Language of Thesis: Thesis may have been originally submitted in any national language of the BRICS countries or in English.

The Citation: The Citation consists of a medal and prize money of ₹ 1.5 million (equivalent) (approximately USD 17,000) sponsored by India Exim Bank.

Terms and Conditions of the Citation:

1. Thesis may have been originally submitted in English or any national language of the BRICS countries. In case the thesis was written in a language other than English, the entry must be accompanied along with an English Translation of the complete Thesis along with any papers published in journals reporting such Thesis.
2. All entries must be accompanied by a completed entry form (in English) signed by the author.
3. An abstract of the thesis in the form of a well-written and self-explanatory essay covering theme, methodology, findings and conclusion (up to 5000 words) in English must be provided.
4. Abstracts of Entries must be typed 1.5-spaced.
5. Abstracts must be submitted without any specific mention of the name of the Author, Guide and the University anywhere in the Abstract.
6. A well-written and self-explanatory statement supporting the relevance of the Thesis to the BRICS context, and its applicability and implications for BRICS countries (up to 2000 words) in English, must be provided by the Author.
7. All entries must be received by India Exim Bank on or before May 15, 2026.
8. All entries must be accompanied by a certificate from relevant university / institute regarding award / acceptance of thesis for award of Doctorate.
9. All entries must be accompanied by a copy of the current passport (first two and last two pages) of the applicant to verify his / her nationality / citizenship of BRICS nations.
10. India Exim Bank does not undertake to return entries to authors and accepts no liability arising out of loss of entries in transit.
11. Entries for the same thesis (meeting the entry criteria) cannot be submitted more than twice for consideration for the Citation.
12. Wherever possible, applicants will enclose evaluation reports in respect of their thesis from the evaluators and indicate the names of all referees / evaluators / supervisors of their thesis in the entry form.
